INFORMATION ON ONLINE DISPUTE RESOLUTION

The European Commission allows for the out-of-court settlement of disputes in the form of an internet platform. The purpose of the online dispute resolution platform is to resolve disputes concerning, among other things, online purchases and online service contracts without litigation. The online dispute resolution platform is available at the following link: <http://ec.europa.eu/consumers/odr>.

If you have any questions about the online dispute resolution platform, please contact office@goldenlifetrading.com

INFORMATION ON ALTERNATIVE DISPUTE RESOLUTION

Please note that we do not participate in the voluntary alternative dispute resolution process under the Consumer Dispute Resolution Act.

LIABILITY

Despite careful content control, we accept no liability for links to external third-party content. The operator of the linked pages is solely responsible for their content.
